

**Extension of Comment on Comment Period
on ECTEL's s
Draft Telecommunications (Interconnection) Regulations**

On the 9th June 2006 at the request of the Eastern Caribbean Telecommunications Authority (ECTEL), the National Telecommunications Regulatory Commission initiated public consultation on Comment on Comments on the draft Telecommunications (Interconnection) Regulations. The initial comment on Comments period was to conclude on 30th June 2006. Due to the keen interest expressed during the Comment on Comments period, ECTEL has requested that the deadline for submission of Comments be extended to 4:30 pm on the 7th July 2006. Stakeholders and other interested parties are hereby informed on this extension.

Comments can be sent to the Managing Director of ECTEL at the address below:
