

**CALL FOR REGISTRATION AS SUPPLIERS FOR HEALTH COMMODITIES
(Medicines, Vaccines, Medical Supplies, In Vitro Diagnostics, Dental Supplies and
Assistive devices)**

The Organization of Eastern Caribbean States- Pooled Procurement Services (OECS/PPS) is the central procurement agency for Health Commodities for the OECS Member States.

Consequently, the OECS/PPS is reaching out to reputable Manufacturers and distributors to register for suppliers to be pre-qualified in line with OECS/PPS procurement guidelines as preferred suppliers. All suppliers and manufacturers MUST register to be prequalified with the OECS/PPS. Please note that registering does not mean that you are automatically prequalified.

Interested Suppliers are requested to register into the OECS/PPS e-tendering system using the link <https://procurement.oecs.org/epps>. Please click on "Register as a Supplier" and follow the instructions to complete your registration.

It is important to be registered into the system to facilitate your prequalification to participate in calls for Tenders as the tender is a Restricted Tender for pre-qualified suppliers.

In case you need more information and/or clarification you can send an email to pps@oecs.int with a copy to Abraham.Weekes@oecs.int and Vernil.Ferdinand@oecs.int

Roselyn Opel
Head of Pooled Procurement Services
