

## **PRESS RELEASE**

### **Enhancing St. Kitts Health Sector Through ICT**

*Basseterre – St. Kitts and Nevis – 9<sup>th</sup> August 2023* -The [National Telecommunications Regulatory Commission](#) (NTRC) of St. Kitts and Nevis entered into an Agreement on 30<sup>th</sup> August 2023 with Mr. Garvin Newton a local Systems Engineer, to act as the Verification Officer for the St. Kitts Health Services Sector ICT Project.

Mr. Newton is an experienced Systems Engineer with an impressive list of accomplishments who will bring a wealth of knowledge to this Project. Mr. Newton will be acting on behalf of the NTRC during the first component of the project. The first component is the building out of a Wide Area Network (WAN) between Joseph N. France General Hospital and the other sixteen (16) Clinics and health facilities in St. Kitts. The Contract to build the WAN was awarded to St. Kitts-Nevis Cable Communications Ltd. (The Cable) and signed on 2<sup>nd</sup> June 2023. The project aims to deliver universal access to Information and Communications Technology Services to all primary users of the Hospitals, Clinics and the other health facilities.
